

Privacy Policy

Last updated: June 20, 2024

Introduction

Welcome to Mundle (the "App"). I value your privacy and am committed to protecting your personal data. This Privacy Policy explains how I collect, use, and disclose information about you when you use my App.

Information I Collect

The only piece of information I collect is the name of your device (e.g., iPhone 15 Pro). This information is used solely as a placeholder if you do not specify a nickname yourself.

How I Use Your Information

I use the device name to personalize your experience within the App. This information is not shared with any third parties and is stored securely.

Third-Party Services

My App uses Apple's MusicKit API to provide music playback services. Please note that the use of MusicKit is subject to Apple's privacy policies. I do not collect or store any personal data from your interactions with MusicKit.

Data Security

I implement appropriate security measures to protect the information I collect from unauthorized access, disclosure, alteration, or destruction.

Children's Privacy

My App is not intended for use by individuals under the age of 13. I do not knowingly collect personal data from children under 13. If I become aware that a child under 13 has provided me with personal data, I will take steps to delete such information.

Your Rights

You have the right to access, correct, or delete the personal information I collect about you. If you would like to exercise these rights, please contact me at mundlefr@gmail.com.

Changes to This Privacy Policy

I may update my Privacy Policy from time to time. I will notify you of any changes by posting the new Privacy Policy on this page. You are advised to review this Privacy Policy periodically for any changes.
